

# PREPARING FOR THE FUTURE: BANGLADESH CAN SHOW TANZANIA HOW

## #KAZIENDELEE

Bangladesh's experience highlights four core lessons for Tanzania

**Lesson 1:** Empowering women is essential to ending extreme poverty

**Lesson 2:** Linking food security, nutritional balance, employment generation and poverty alleviation with agricultural development

**Lesson 3:** Focusing on export-led labor-intensive manufacturing activities

**Lesson 4:** Maintaining a concerted national commitment to key issues and sustaining it across successive administrations regardless of political party
